NeoForm® Beam Blades with Teflon®

Performance & Styling!

Conforms to the windshield, providing constant even pressure.

- Jointless structure to maximize durability & enable highly efficient operation
- Exclusive wiping edge with Teflon® resin for longer life & smoother wipe
- Resists snow & ice clogging for excellent performance in winter conditions
- Outperforms traditional blades in snow & ice wipe test
- Spoiler reduces windlift at higher speeds
- Provides quiet operation with less chatter
- 'Skin coating' seals the aerodynamic spoiler to protect it from the elements for superior all weather performance
- Includes specialty wiper arm coverage, such as the new side pin, pinch tab & push button wiper arms
