

SNOW & ICE TOOLS

10" Bear Claw® Ice Scraper
#16721

87¢

- Flat, compact design for easy storage
- Most popular OPP scraper

35" Blizzard™ Snowbrush
#13781

\$5⁶¹

- Heavy duty brush provides long reach for large vehicles
- Contoured soft cushion grip
- Coated, heavy duty steel handle

**54" Pivoting Snowbroom
w/ 8-1/2" Head**
#5412PBT

\$9¹⁴

- Heavy duty brush provides long reach for large vehicles
- Contoured soft cushion grip
- Coated, heavy duty steel handle

22" Super Deluxe™ Snowbrush
#19520

\$1⁸⁶

- Hopkins best selling snow brush
- Includes a Bear Claw® blade

**10" Ice Ripper™
Ergonomic Scraper**
#16211

99¢

- Ergonomic, rounded handle for greater grip power
- More comfortable than traditional, flat scrapers
- Thumb "button" allows application of more pressure to the blade

**51" Extendable Arctic Plow
w/Ice Scraper**
#18833

\$18⁶⁸

- Super wide "push-pull" foam head (over 16") for quick snow clearing
- Strong telescoping steel handle for extra reach
- Scraper blade on opposite end for ice removal
- Collapsible built-in storage

**Premium Blue®
Extreme Full Synthetic Engine Oil**

Hi-Performance Synthetic Engine Oil

Cummins approved
for 5,000-mile oil drain
extension, under normal
duty, for 2007 engines.

The Premium Blue Advantage:

- Hi-Performance Synthetic Technology meets the most demanding requirements of modern EGR engines operating at elevated temperatures, higher soot and higher acid levels in the engine oil.
- Superior synthetic basestocks provide faster, safe starts during freezing weather and enhanced thermal properties for hot weather operations.
- Unique formulation has demonstrated improved fuel economy over leading conventional oils.
- Reduced high temperature carbon buildup - both single and two-piece pistons - and ring/liner wear protection leads to improved oil consumption control.

VV70518
1 Gallon **5W40**

**Premium Blue®
Conventional Engine Oil**

*Advanced lubricant
protection for
diesel engines*

The Premium Blue Advantage:

- Unique dispersive polymer technology (DPT), with premium Group II baseoil, provides advanced soot control, and cold start protection.
- Valvetrain wear protection and reduced oil filter restriction at high soot levels.
- High temperature deposit control, including single and two-piece pistons, and ring/liner wear protection.
- Higher TBN level and TBN retention for long-life performance, while meeting all chemical limits.
- Endorsed and recommended by Cummins for use in Dodge Ram Turbo Diesels.
